10 May 2011

Fellow Marines,

The summer is heating up and your events have started.

The Brat Sale was very successful. We grossed about \$1200.00 before all bills were paid, then we ended with a about \$800.00 profit. A big thanks goes to Marine Workman for putting this together.

The fishing trip was fun about 13 people did the trip on Mille Lacs, but only 2 fish were caught and they were not keepers. Thanks to Marine Huber for putting this together. And hopefully he will continue to do this.

The Fourth of July, Sgt at Arms McLane has 5 Marines to participate in the parade...four to ride in the jeep and two in the trailer.

The Crow Wing County Fair Aug 2-6. We have most of the hours covered, however, if you want to help contact Jack Huber or myself. Each individual is supposed to sell the raffle tickets for the Detachment. Tickets cost \$1.00 each; there four cash prizes ranging from \$50.00, \$50.00, \$100.00, \$250.00. If you need more tickets get a hold of Steve Amerud at 218-838-1640 or 218-764-3170. He would like all tickets and money be sent to himself or Bill Wortham. If he needs to order more tickets it takes some time to get them so please let him know. And the Marines that work at the Fair Grounds just show your Marine Cover at the South Gate only and they will let you in free.

The Nursing Home visit went well and about 6 Marines participated. The next visit is set up for 10am June 23rd. So everyone is encouraged to participate with this.

August 20th starting at 10am is the picnic and membership meeting at Jacks house. The league provides the meat and it is Potluck. There will be fun and games with an Auction of Marine Corps Memorabilia. You can bring a White Elephant item for the auction. It's for the families and new prospective members that day.

There is a attached sheet for the schedule for the Crow Wing County Fair so if you can help let us now

Next formal meeting is Sept 6th at 1900 hours at the Senior Center. Pound 280 MODD will meet following the September meeting

Michael Howard

Mike Hancock, Commandant
